MASSAGES

Juluca Massage 25/50/80 mins. \$90/\$140/\$195

Reflexology 25/50 mins. \$90/\$135
Rooted in ancient China, Egypt and Greece, reflexology applies finger point pressure to specific points in the feet and hands that correspond to specific organs, meridians and glands, removing blockages and toxins in the body.

Thai Massage 80 mins. \$215
This oil-free massage, performed on a Thai floor mat or low table, uses two primary procedures—acupressure performed with the therapist's hands and feet, and a wide variety of passive yoga-like stretching movements which help to adjust the skeletal structure, increase flexibility, relieve muscular and joint tension, stimulate internal organs and balance the body's energy system. *(Thai Massage is a very intense massage that powerfully addresses lower back problems, tight shoulders, chest and hamstrings. Loose, comfortable clothes are most appropriate when receiving this session.)*

Shiatsu Massage 50/80 mins. \$165/\$215
In Shiatsu, therapists apply pressure along specific energy pathways to restore the flow of the body's vital energy. Unlike other massage techniques, pressure is held, which allows targeted muscles and soft tissues to relax. *(Loose, comfortable clothes are most appropriate when receiving a session.)*
