

Gulfstream 450

Executive Jet Management is proud to showcase the Gulfstream 450 – perfect for those looking for a domestic or international travel solution in a modern, finely appointed aircraft. The Gulfstream 450 offers luxurious travel amenities, with fine leather executive seating for up to fourteen passengers. At full capacity, it can fly such non-stop itineraries as Teterboro, NJ to Madrid, Spain. And, as with all our charters, you get the peace of mind that only Executive Jet Management's award-winning team of aviation professionals can provide.
